

Metropolis Rink COVID 19 Protocols

General Use:

- Face coverings are required for EVERYONE at all times in the building including participants while engaged in aerobic activity.
- Locker Rooms will remain closed.
- Restrooms will be limited to social distance capacity and clearly displayed.
- No use of water fountains.
- Users will follow separate entrance and exit paths which will be clearly defined.
- No use of conference / meeting rooms.
- No social gatherings throughout the facility or in the parking lot.
- No more than 25 participants per workout area on the ice surface at any time with a minimum of 14' in between cohorts.

Practice Protocols:

- Teams must be dressed to play including all equipment prior to entering the facility, skates can be put on in the warming room or assigned space.
- User groups must provide a list of participants on the Canton Parks & Recreation COVID participation form prior to entering the ice surface, which includes participants and guardians name, email and phone number.
- Teams waiting to use the ice will remain in the assigned areas until after the ice is cleaned, and the restrooms and bench areas have been sanitized. Teams on the ice will exit the rear of the building.
- Practices can continue using up to two cohorts of 25 spaced at least 14' apart and social distanced within the cohort.
- Practice times will be staggered by 20 minutes.

Game Protocols:

- Contact tracing information is required for EVERY person entering the building (including officials and spectators)
- Spectators are limited to 1 person per participant up to 40% of the building capacity and must be 6' apart at all times. Each spectator will be required to sign in and provide a phone number and email address before entering the arena. Spectators will be seated on the bleachers only.
- NO spectators for participants 21 or older
- Face coverings are required for officials and coaches at all times
- Face coverings are required for players at all times.
- Social distancing on the bench (6' separation), a **maximum of 5** people on the bench.
- No more than 25 players on the ice at any time

- Games will be staggered 20 minutes apart to allow for teams to leave the arena prior to additional teams entering the facility.

Visiting Team Instructions:

- Do not arrive prior to 10 minutes of your scheduled ice time, you will not be allowed to enter the building.
- Once you arrive you will need to present the Canton Parks & Recreation Staff with the attached roster. Do not bring a generic roster we will only accept the attached form.
- Players must arrive to the arena dressed with their equipment on. You will then be instructed to gather your team in one of two locations to put skates on. The two areas are the warming room or prep area. Locker rooms are closed.
- You will be instructed which bench you will be using and will have your players bring all their gear with them to put behind the bench area, you will not be able to use the locker rooms.
- Once the game has ended please have your team take their skates off at their assigned bench area and leave through the rear doors of the building.
- Gathering in the rink area or the parking lot post game is prohibited, please leave the premises immediately. There will be another set of teams that will be coming in and we want to ensure that the groups do not overlap in any way.
- Teams may have one spectator per child however the spectators must sign in prior to entering the arena. Spectators must sit in the designated spots on the bleachers which are designated with blue X's.
- Any violations of these protocols may result in the loss of ice time in the Metropolis Rink.
